

RAISE SOME DOUGH WITH MAKETŪ PIES.

Fundraising has never tasted this good.

Whether you're raising money for a school, sports team, club or community cause, Maketū Pies makes it easy to turn a true Kiwi legend into valuable funds for your group.

Through the Raised online platform your group and members can make orders for specially designed six-packs of famous Maketū pies and rolls from friends, whānau, workmates and supporters. Your organisation purchases the packs from us at a special fundraising price, sells them at the recommended price and keeps the difference. Simple.

With a range of crowd-pleasing combinations spanning our classic Mince & Cheese and Steak & Cheese to Butter Chicken, Smoked Fish favourites, vegetarian options and hearty rolls... there's a Maketū Six for just about everyone.

It's simple, delicious and an easier sell than a raffle ticket.

HOW IT WORKS

Our pie fundraising is easy to run. You can track sales every step of the way, at the end Raised combines the orders and submits to us at Maketū Pies. We issue one invoice at the special fundraising price. Once payment is made we prepare and deliver the frozen packs, leaving your group to distribute the orders and keep the fundraising profit.
