The prices you sell the products for is finally decided by you and your team. We can provide you with an RRP and how these have worked for our previous fundraising clients to help you judge what will work best in your case.

Once you have considered and set your prices you can then begin selling. We have provided a sales template below which you are more than welcome to use. If you would like us to make adjustments to this for you then please get in touch with us regarding this and we will be happy to accommodate these for you.

Placing final order with us

On the Wednesday one week prior to delivery we ask that you provide us with your final order numbers as this ensures that our suppliers have time to deliver what is required to produce your order in full. No one likes missing something or skimping on ingredients and we definitely don't either.

Delivery

We offer Central & Lower North Island wide delivery (T's & C's Apply) however if your school/organisation is located in the Upper North Island we utilise a courier to service your area. Please contact us further in regards to delivery to your area and how we can meet your requirements.

We do have a minimum order requirement to receive free delivery. Free delivery* has a minimum order of 400 items/packets otherwise we can still deliver to you even if the order is under this amount however a delivery fee will apply.

Delivery Fees are as follows and are distance from CBD Palmerston North:

0 Kilometers - 100 Kilometers - \$50 + GST
100 Kilometers - 200 Kilometers - \$100 + GST
